Notice

This Register contains the present occupations and addresses of the Alumni of the Colleges of Engineering and Architecture. The information from which this data was obtained came from various sources, particularly from the annual correspondence with the Alumni. Unfortunately, some of the addresses are incorrect and some are unknown. The addresses of those before whose names the dagger appears are not reliable and any information which can be furnished concerning such an Alumnus will be greatly appreciated. The asterisk indicates death. Please forward to this office notices of such deaths as are not given here. An alphabetical index of the Alumni and also their geographical distribution are given at the end of this Register.

It has become advisable, owing to the volume of the material accumulating, to abbreviate the Register. Only the present address and occupation are given. This will be the policy annually, but it is hoped that at some future time a complete Register of the activities of the Alumni will be published.

PLEASE INFORM THE SECRETARY OF CHANGE OF ADDRESS OR ANY INFORMATION NOT PUBLISHED HERE.

THE ANNOUNCEMENT OF THE COLLEGES OF ENGINEERING AND ARCHITECTURE IS PUBLISHED SEPARATELY AND MAY BE OBTAINED UPON REQUEST.

Address all communications to

LOUIS A. HOPKINS, SECRETARY,
